

Wholesaler Vehicle Power Steering Rack high strength 56500-2S000 565002S000

Our Product Introduction

For more products please visit us on automobile-sparepart.com

Basic Information

- Place of Origin: CHINA
- Brand Name: NABO
- Certification: TS16949
- Model Number: 56500-2S000
- Minimum Order Quantity: 10 PCS
- Price: \$52.88 ~ \$66.88
- Packaging Details: poly bag or air bubble bag, any boxes with customers' label, Corrugated box , Standard tray
- Delivery Time: 3~30 work days
- Payment Terms: D/P, L/C, T/T
- Supply Ability: 5000 pcs per month

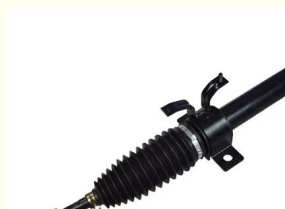

Product Specification

- Name: Power Steering Rack
- Applications: Car
- Size: Customized
- OEM: 56500-2S000
- Brand: NABO
- Standard: TS16949
- Highlight: **Vehicle Power Steering Rack,
Power Steering Rack High Strength,
56500-2S000**

Product Description

OEM 56500-2S000 Power Steering Rack Used For Hyundai Elantra Veloster 565002S000

Product Description:

The power steering rack, commonly referred to as a steering gear or a steering rack and pinion, is a key component of a vehicle's power steering system. Its function is to convert the rotational motion of the steering wheel into lateral or linear movement, thus affecting the direction of the front wheels.

The power steering rack can be found as part of the steering column, or it may contain the steering column. It is comprised of several components that provide force to the wheels. This includes the rack, the pinion, the tie rods, and ball joints.

Without a functioning power steering rack, a driver would have to use a lot more force to move the steering wheel, significantly increasing the effort required to control the direction of the vehicle. A malfunctioning power steering rack can cause difficulty when turning corners or make steering difficult in general.

Features:

Superior Construction:

Our power steering rack is made with top-notch materials, including strong metal components and perfectly designed gears. This crafting provides high strength, resilience, and durability, and guarantees awesome driving performance even in rough circumstances.

Precise Steering Control:

The power steering rack changes the rotary rotation from the steering wheel into planes or straight movements, giving you precise control over the front wheels. It ensures more accurate directing to improve the overall control of your vehicle.

Power Steering Assistance:

Our power steering rack functions perfectly with the power steering system, providing the required aid to help turn the steering wheel easier. This will make your driving more effortless, especially when you have a low speed or when doing parking operations.

Smooth and Quiet Operation:

Our power steering rack has high-grade seals and bearings to minify friction and guarantee smoother usage. This will give you a much quieter and comfortable driving experience, without loud noises and vibrations passing into the steering wheel.

Quality Assurance:

Our power steering rack passes lots of tests and quality control processes to reach or even exceed market standards. We get our products from reliable providers who have strict quality control tests, so we can guarantee their quality and good performance.

Support and Services:

Our Power Steering Rack comes with technical support and service to ensure a smooth user experience. Our customer service team is available to answer any questions and resolve any issues you may have with your Power Steering Rack. We are committed to providing the highest quality technical support and service, so you can feel safe and secure when using our product.

FAQ:

1. Who are we?

We are based in Guangzhou, China, start from 2018, we are specilizing in all kinds of spare parts for Japanese cars and Korean cars, for example, engine parts, suspension parts,electric parts, steering parts,transmission parts, body parts. . .

2. How can we guarantee quality?

Always a pre-production sample before mass production;

Always final inspection before shipment.

3. Why should you buy from us from other suppliers?

We have experience in spare parts for more than 10+years
